Media Release and Permission Form

Occasionally, photos or recordings—whether on film, videotape, audio, digital media, or other formats—may be taken of minors during Windsor Chess Club activities or school-related events. These images or recordings may be used in presentations by the school, the Windsor Chess Club, the media, or published online. In accordance with the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), its regulations, and applicable copyright laws, I hereby grant the Windsor Chess Club, and those authorized to act on its behalf, permission to publish, display, or otherwise use the photograph, video, or audio recording of myself or my child.
